In accordance with MPEP 402.06, the **sole** undersigned attorney(s) of record hereby respectfully requests approval of this withdrawal from representation of the above-identified patent application.

An Office Action issued in this case on November 5, 2004, the day after an earlier Request for Withdrawal was submitted to the Patent Office on November 4, 2004. The undersigned attorney mailed,

1 by first class mail, a copy of the Office Action to the assignee at the address noted above on
2 November 15, 2004, providing indication to the assignee of the deadlines for responding to the Office
3 Action as well as informing them that the undersigned attorney would not be preparing a response to the
4 Office Action. The mail was not returned, and the assignee did not respond to the letter. To the best of
5 the undersigned's knowledge and belief, no response to this Office Action has been submitted to the
6 Patent Office. The final date for filing a response to the Office Action was on May 5, 2005, which has
7 now long since passed.

8 It is respectfully requested that the undersigned attorney be allowed to withdraw from further
9 representation in this application. Any questions may be directed to the undersigned attorney at
